PUERI CANTORES, approved by every pope since Pius XII, is the official student choral organization of the Catholic Church. It brings together youth choirs to raise the profile of choral music in church, school, community and artistic settings. *PUERI CANTORES* provides choristers with the rich experience of our Catholic tradition and a leadership role in the Church which they can carry throughout their lives.

A school choir's membership in *PUERI CANTORES* creates optional opportunities to sing in local, national and international settings. In addition to a choir's own individual repertoire, singers learn an accessible shared repertoire of historically balanced, quality music which they are invited to sing in combined performance with other *PUERI CANTORES* member choirs at Festivals, Masses and community events both locally and nationally, and throughout the world.
