# MAKE A GIFT TODAY!

Dear Parents:

This spring, your son or daughter participated with more than 2,000 other young Catholic singers in an exceptional Pueri Cantores sponsored festival, the only Vatican based music program for youth in the United States. We thank you for your dedication to this advanced training and formation for your child.

We invite you to consider making a gift today to help increase the number of U.S. festivals to twenty in 2016 which will serve more than 4,000 singers across the nation.

It is our mission to ensure that your child benefits through programs which:

- Enhance the spiritual development of young singers through the singing of great sacred music taught by nationally recognized Catholic conductors.
- Elevate education in the arts and liturgy resulting in choral excellence, spiritual growth and educational enrichment.
- Develop cultural appreciation and compassion through travel and the sharing of the music of their faith.

Join us today by becoming an active parent supporter.
